COMIC-CON TRAFFIC FLOW

This new traffic route is designed to improve ingress and egress during Comic-Con, as well as reduce unnecessary traffic congestion due to non-badge members on Harbor Drive.

This proposed plan meets the following goals:
- Clears SDCCC front drive of all traffic, expect emergency vehicles
- Allows badge members more walking room in front entrance areas, improving life-safety for badge attendees
- Creates clear shuttle paths during peak hours
- Harbor Drive will be closed to traffic on the following days/times:
  - Wednesday, July 18, 3pm–9pm
  - Thurs–Sat, July 19–21, 7am–9pm
  - Sunday, July 22, 7am–7pm
