**Toucan Tracker Wristbands for Hall H**

Hate waiting in line? We do too! To help you manage your valuable time at Comic-Con and to discourage line cutting, the Toucan Tracker wristbands will be returning to Hall H for 2019!

Toucan Tracker wristbands give attendees flexibility based on their priorities at Comic-Con. If you wish to get a front section seat in Hall H, you are welcome to wait in line overnight once you receive your wristband. If seat placement is not a priority to you, wristbands allow you to reserve general seating in Hall H and come back in the morning. Toucan Trackers are essentially a way for you to know that you have a seat in Hall H, whether you are physically in line or not.

**SO HOW DO THEY WORK?**

Toucan Tracker wristbands will be given out the night before for the next day’s Hall H seating. For example, Saturday morning’s wristbands will be given out on Friday night. After verifying your badge, Line Staff will hand you a wristband, which you will need to securely attach to your wrist, and then you will present your badge for scanning by staff prior to leaving the line. The scanning staff will verify that your wristband is attached securely and then scan your badge for the next morning’s first seating of Hall H. When you enter Hall H the following morning, you will need to show your wristband and scan your badge. Once you receive your wristband, you have three options:

1. You may immediately line up for the following day’s first panel in Hall H.
2. You may leave someone to hold your place in line, and return before 7:30 am to meet them.
3. You may leave, get a good night’s rest, and return to the end of the wristbanded line before 7:30 am. Please keep in mind that you must be there before 7:30 am.

If you decide to leave the line at any point, you may return to the end of the wristbanded line prior to 7:30 am and still gain entry to the first panel of the day in Hall H. You do not need to wait overnight! If you return after 7:30 am, you will have to go to the end of the Hall H line and not receive first seating.

**WHERE DO YOU GET THESE FABULOUS WRISTBANDS?**

Toucan Tracker wristbands will be distributed at the front of the Next Day Line for Hall H. Distribution times vary by day. Please see the map for the right time for the location of the Next Day Line.

You will need your Comic-Con 2019 badge or your barcode confirmation to receive a wristband. Be aware that IDs will be checked, and the name on your photo ID must match the barcode confirmation.

**DISTRIBUTION DATES/TIMES**

- **Wednesday, July 17:** Wristband distribution for Thursday panels in Hall H will begin at 8:00 am in the general Hall H line in Plaza Park.
- **Thursday, July 18:** Wristband distribution for Friday panels in Hall H will begin at 6:15 am at the front of the Next Day Line.
- **Friday, July 19:** Wristband distribution for Saturday panels in Hall H will begin at 8:45 am at the front of the Next Day Line.
- **Saturday, July 20:** Wristband distribution for Sunday panels in Hall H will begin at 9:30 am at the front of the Next Day Line.

**Note:** Wristband distribution will continue throughout the night until all wristbands are distributed or until 7:30 am the following day.

**Note:** Wristband distribution will continue throughout the night until all wristbands are distributed or until 7:30 am the following day.

Remember, you do not need to wait in line overnight to receive first seating. Your wristband ensures first seating for the first panel of the day in Hall H. You are welcome to have someone hold your place in line or simply return to the end of the wristbanded line prior to 7:30 am.

**Wristbands will only be used for the first panel of the day in Hall H.** Once the wristbanded line has been let into the hall, individuals without wristbands will not be allowed to enter.

**THE FINE PRINT:**

Wristbands are issued such that the wristband holder will have first seating for Hall H (barring any unforeseen circumstances). We anticipate that all holders of wristbands will be able to get seating for Hall H if you follow the guidelines above. Comic-Con reserves the right to refuse entry to anyone for any reason.

**Wristbands cannot be traded or sold.** By receiving a wristband, you agree not to sell, trade, transfer or share your wristband. In the event that San Diego Comic Convention/Comic-Con International (SDCC) determines that you have violated this policy, SDCC has the right to cancel your badge(s) with no refund.

**Comicon reserves the right to change times or procedures for distributing any wristbands for any reason. Safety concerns, and requests from the Convention Center, the Fire Marshal, Police, City, or Port may require we change these published plans.**

San Diego Central Library Programs and Events

Comic-Con’s expanded campus once again includes the San Diego Central Library. This state-of-the-art location will be home to two panel rooms, which will run specific programming tracks featuring targeted content.

Education Programs

The first series of programs, devoted to education, literacy and library issues, will take place in the Shiley Special Events Suite on the 9th floor. This panel track starts on Wednesday, July 17 and continues through Sunday, July 21.

Comic-Con seeks to engage the community and promote comics as a medium for learning and as a literary art form. Our hope is to create an event that will allow librarians and educators to come together to learn ways to incorporate comics and graphic novels in their perspective fields. We also want to bring in publishers as part of the event to allow librarians and educators a chance to speak directly to them in regards to their plans to support comics and graphic novels in the classroom and libraries. In an effort to aid this goal, Comic-Con has opened up this specific panel track to educators and librarians without a Comic-Con badge.

Podcast and Web Series Programs

The second track of panels, dedicated to podcasts and web series, will take place in the Neil Morgan Auditorium, on the 1st floor of the Library. This panel track starts on Wednesday, July 17 and continues through Sunday, July 21.
