**YOUR TURN!**

---

**story prompt by Maxwell Alexander Drake**

(The Genius of Obvious Jays, @MaxwellRDrake)

Write a story about a child who loses something precious to THEM. This could be anything from something simple like losing a favorite toy to more tragic like a lost pet or even the loss of a parent or grandparent.

You can have a happy ending or a sad one, but the main thrust thematically should revolve around loss and coming to terms with loss.
